Career Opportunities at Apex Law Firm

Apex is not your ordinary law firm. We do things differently. If you have Driven, determination and ambition, we would like to Hear from you.

A career at Apex Law Firm is more than just developing your ability to apply the law. We support all our employees in developing their careers and helping them reach their full potential. Our success depends on attracting the best people, including strong all-round team players who can develop good working relationships with clients and colleagues, and nurturing their talent.

We also believe in treating our employees as people - we know we all work hard but also recognise the importance of home and family. For that reason, we encourage all of our staff to have a life outside of the office while enjoying their time spent at work.

The firm is committed to providing equal opportunities in employment. This means that all job applicants, employees and partners receive equal treatment regardless of age, race, sex, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, religion or belief, or sexual orientation.

Client and People-Focused

With OUR Location in Hyderabad and New Delhi (India) New York (USA) London (UK), and some of the most successful companies in India included in our client base, we are recognised as a major law firm. Central to our success is our reputation for excellent client service and we work hard to continuously raise our standards.

Where a client needs expert legal advice, our team steps up and takes ownership to deliver the best result. Our clients continuously come back to us and recommend us to others. We utilise the specialist legal skills, knowledge and expertise across our full-service offering.

- Are dedicated to doing things right
- Value our people
- Understand the importance of a truly engaged workforce

This award also shows that we get it right when it comes to leadership, our managers, our employees' personal growth, teamwork and wellbeing - just to name a few.

Investors in Our People

Where we identify talented individuals and/or teams who will complement and enhance the clients and work we already have, we commit and invest in them. We are also alert to spotting internal talent, helping employees who live and breathe our values to realise their potential.

As the legal sector continues to evolve and change, we also never standstill. We proactively scan the horizon, encourage ideas and take a forward-thinking approach.

Investors in People

- Have a great leadership team
- Have successfully embedded and aligned great practices across all levels of our staff
- Have a high-performing culture
- Are committed to everyone's development and successes

Focused on the Long Term

While we are an entrepreneurial, ambitious and dynamic law firm, we are focused on the long-term benefit for our clients and people, meaning we manage the business responsibly and effectively.

There are lots of opportunities for employees to develop their careers through a number of schemes and programmes, including:

- Personal development plans
- Mentoring scheme
- Access to MBL / MPL seminars, webinars and training resources
- Professional network memberships
- Annual promotions open to all staff

By paying attention to the detail in everything we do, we get results and minimise risk for our clients and ourselves, creating a stable platform from which we can continue.
